THE CITY OF OXNARD

Oxnard, known as the “strawberry capital of the world,” is the most populous city in Ventura County with over 200,000 residents. In this city 40 minutes south of Santa Barbara and 40 minutes north of Los Angeles, you’ll find seven miles of unspoiled beaches, plus farm stands overflowing with picked-that-morning produce from nearby farms and fields. Oxnard is home to the Channels Islands Harbor, which features canals and oceanfront homes with docks and is just a short boat ride out to the Channel Islands National Park. The town also has a rich history, offering multiple museums such as the Carnegie Art Museum and a strong preservation ethic to protect historic buildings and sites. It also has its own local Community College with approximately 7,000 students. Additionally the city has a small regional airport and is a major transportation hub in Southern CA with Amtrak, Union Pacific, Metrolink and Greyhound operating there. Oxnard’s economy is known for agriculture, advanced manufacturing, healthcare, retail and tourism. The city’s proximity to the Port of Hueneme, one of the busiest deepwater ports on the West Coast, expands on its economic prospects.
