THE CITY OF VENTURA

The coastal city of Ventura, home to approximately 109,000 residents, lies approximately 100 miles northwest of Los Angeles and 25 miles south of Santa Barbara. The picturesque city is known for its beautiful surfing beaches, vibrant walkable downtown, arts scene and laid back vibe. Popular spots include the long wooden pier at Surfer's Point, the 1809 Mission San Buenaventura and fine restaurants downtown, hillside hiking trails and the Ventura Harbor with its access to the stunning Channel Islands National Park. It also has its own local Community College with approximately 14,000 students. Despite recent increases in rents and home sale prices Ventura remains relatively affordable compared to other southern California coastal communities.
